“Modern Fence Supplies focus our efforts on client satisfaction, diversity and quality products suited to your fencing needs”

www.modernfencesupplies.co.nz

WHO WE ARE...

Established in 2021, Modern Fence Supplies empowers homeowners and trade professionals across New Zealand to achieve your fencing vision. We provide a growing selection of high-quality, easy-to-install fence panels. Our products are durable & designed to provide lasting value with a modern look for any property. We understand that everyone's fencing projects are tailored to meet their design ideas which is why we have options for customisable sizes that can be harder to source from your typical big retailers.

Our sole focus is operating as wholesale. This means we do not install the fences, however, with our industry knowledge and expertise, we can put you in touch with the right professionals to complete your fence/gate install. If you are handy in "DIY" customers can choose from our flat pack kits for a more cost-effective option or our pre-assembled fence panels for easy and quick installation.

OUR APPROACH & DIFFERENCE...

Modern Fence Supplies value our ability in being a high-quality distributor of fencing products & knowledge. This allows customers to find their point of difference by providing a variety of fence product styles and accessories to help create your tailored and unique fencing vision. We strive to find new and innovative products whilst not compromising on customer expectations or quality. We have a strong importance for providing excellent service from quote acceptance to product pickup. We believe reliable service & product knowledge is an essential part of making your fencing project a breeze!

Our Supply Range:

- Modern Residential fences
- Commercial/Industrial/Security & School Fences
- Pool & Boundary Fences
- Posts
- Hardware Components
- Gates: - Sliding, Swing, Cantilever & Customisable sizes
- Automation - Gates & Boom Gates (Italian Made)
- Marker Paints & Concrete from trusted brands

Picket Range

*"A twist on modernised Tradition
with elegant & sleek designs"*

Our Picket Range combines timeless charm with a modern twist, elevating any fencing project with a touch of sophistication. Crafted from high-quality aluminum that meets New Zealand standards, this range offers both style and performance.

Key benefits include excellent ventilation, non-warping durability, and quick, no-weld assembly with hidden fixings, making installation a breeze. Whether you're a DIY enthusiast or a professional tradesperson, this range is easy to install, with fully assembled options also available for added convenience.

Built to withstand the elements, our Picket Range is resistant to corrosion and rust, ensuring long-lasting beauty with minimal up-keep. With our Modern Fence maintenance and care plan, your fence will maintain a pristine, fresh appearance year-round.

Gates

(Standard & Custom)

At Modern Fence Supplies, we understand that a gate is more than just an entry point to your home—it's a key component that enhances the security, functionality, and aesthetic of your fencing project.

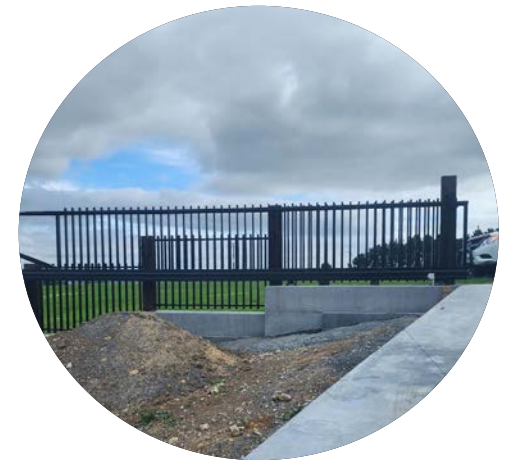

Whether you're looking for a sturdy, reliable gate to secure your property or a stylish, custom design that complements your space, we offer a wide range of options to suit your needs. From swing/sliding gates, cantilever to automated and bespoke solutions, our gates are crafted from high-quality aluminium, ensuring durability, ease of use, and long-lasting performance. Let us help you find the perfect gate to complete your fencing project with both practicality and style.

We specialise in the following gates:
